At O'Sullivan Creel, we offer full accounting services for healthcare businesses, plus a variety of operational, administrative, financial, and business consulting services that focus on the specialized needs of physicians and healthcare providers. Our experienced, solution-focused healthcare team works with physicians, dentists, single- and multi-specialty medical practices, hospital health systems, and group practices offering services to help your practice grow and prosper.

O'Sullivan Creel offers traditional accounting services to healthcare providers:

- Tax Planning Services
- Financial Statements and Bookkeeping Services
- Assurance Services
- QuickBooks, Set up, Customized Reports, Full Support
- Employee Benefits Administration
- Retirement Planning
- Business Valuation Services
- Quarterly and Annual Payroll Reporting
- Hospital Audit Services

In addition to a full-range of traditional accounting services, the Healthcare Client Services Team offers a variety of operational, administrative, financial, and business consulting services focusing on the specialized needs of physicians, and healthcare entities.

Consulting Services include:

- Business Plan Development
- Succession Planning
- Physician Compensation Models
- Mergers and New Physician Practice Start-Up
- Group Formation, Structure, and Governance
- Acquisitions, Partnerships, Joint Ventures

Healthcare professionals continue to confront a growing list of multifaceted financial and operational issues and unending changes. The Healthcare Client Services Team at O'Sullivan Creel is a team of experienced professionals who stand ready to assist healthcare practices in successfully meeting today's business challenges.
