

O'Sullivan Creel, LLP

Located across the Gulf Coast of Alabama and Northwest Florida, O'Sullivan Creel is a team of Certified Public Accountants and business consultants. O'Sullivan Creel offers solutions, technologies, and delivery methods not traditionally provided by other accounting firms. From tax returns and accounting services to audits and employee benefits planning, the professionals of O'Sullivan Creel work closely with community and business leaders to take them to the next level.

At O'Sullivan Creel, our accounting and consulting firm serves more than 200 nonprofit organizations throughout the Southeast. Our clients include charities, schools, churches, private foundations and associations. Through our experience in providing audit, accounting, and management consulting services, our Not-for-Profit Client Services Team understand the distinct needs of nonprofits and can help them fulfill their missions.

The experts at O'Sullivan Creel provide the following services to not-for-profit organizations:

- Audited Financial Statements
- Reviewed and Compiled Financial Statements
- Income Tax Return Preparation (Form 990)
- Internal Controls Assessment

In addition, consulting services to not-for-profits include:

- Start-up Services (including Filing Form 1023)
- Governance
- Employee Benefits
- Cost Savings
- Operational Efficiencies
- Fraud
- Accounting Software

The extensive not-for-profit experience of our team members translates into recommendations to improve accounting controls and operating efficiencies that are practical and realistic. Now, more than ever, organizations need donor confidence in a charity's operations and finances, as well as assurance that boards are fulfilling their responsibilities.

Our team assists many start-up not-for-profits in establishing tax-exempt status through assistance in filing Form 1023. In addition, our firm prepares more than 150 Form 990's a year, and has embraced the objectives of the new Form 990 and are helping our clients to make this an opportunity to improve.
